

Notice of Severe Winter Storm / Winter Road Closure

The Tibbitt to Contwoyto Winter Road Joint Venture is advising the public of a severe winter storm that will be affecting the entire Winter Road. A large weather front with heavy snowfall and very high winds will hit the Winter Road starting on Saturday evening (March 13, 2021) through to Tuesday morning (March 16, 2021). All Winter Road travelers should cancel their travel plans or leave the Winter Road if they are already on it.

Those remaining on the Winter Road during the storm will be subject to **dangerous** weather conditions. The re-opening of the Winter Road will be substantially delayed due to the expected snowfall and subsequent blocking of the road with significant snowdrifts. The Joint Venture will be suspending all Winter Road traffic by late Saturday night and withdrawing all its crews back to the camps for their safety.

To stay updated on the Winter Road and the status of the storm, visit the Tibbitt to Contwoyto Winter Road's website at www.jvtcwinterroad.ca
